- General Liability \$1,000,000 / \$2,000,000 Aggregate
  - Automobile Liability \$1,000,000
  - Workers Compensation \$500,000
  - Pollution Insurance \$1,000,000

Domino can also have a customer listed as an additional insured and indemnify third parties where applicable.

Domino can be bonded and we are able to provide our customers with bid, performance, and payment bonds when required.

## VII. Why Domino Equipment Company?

Domino Equipment Company possesses a diverse range of knowledge, experience, personnel, and resources to provide equipment installation and service to our customers at an expert level. Domino can provide immediate personal quality service at a competitive price in any location throughout the Central and Southwest United States.

Our services are backed by our commitment to quality and corporate resources that are managed by dedicated and recognized leaders. Domino can back our performance with bid, payment, and performance bonds when required.

Our philosophy of contracting is never to cut corners and to point out potential problems but to recognize problems in order to eliminate the need for unnecessary change orders. We are sensitive to the needs and requirements of our customers and we always want to develop long lasting professional relationships.

Let Domino show you why we are one of the fastest growing equipment installation and service companies in the nation.
